

VI. Application Scope

Mining Machinery Cement manufacturing Steel and iron casting Power industry Coal mining industry Others	Bucket lining plate, conveying tank, hopper lining plate and crusher lining plate, etc.
	Silo, fan blade, chute, vertical mill lining and pipe etc.
	Slag discharge tank, feeding tank, lining plate of material returning machine and fabric chute, etc.
	Fan blade, coal conveying pipe, hopper lining and conveying tank, etc.
	Conveying side plate of the scraper, coal mining lining plate, hopper and conveying tank, etc.
	Tunnel boring machine, intermediate conveyor, shovel plate, track frame, blade board of the grader, railway conveying plate

VI. Application Scope

Application examples:

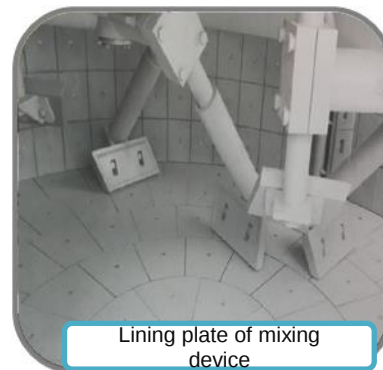

Chute of ship loader

Hopper lining plate at port

Rectangle-circle connector

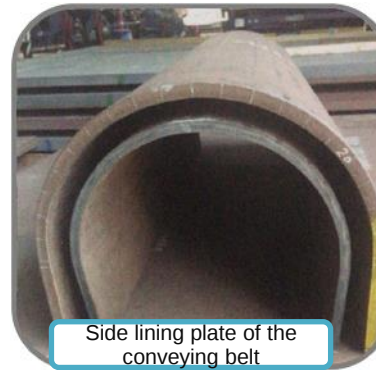

Lining plate of mixing device

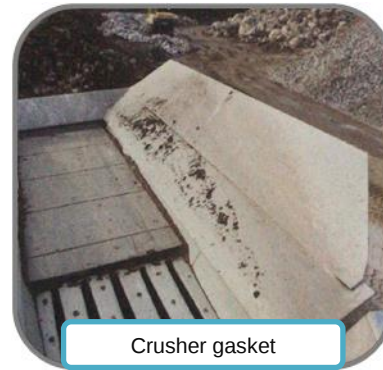

Mine sieve plate

Blade of prismatic knife

Side lining plate of the conveying belt

Crusher gasket
